NARRATIVE REPORT

☒ INTERIM

☐ FINAL

On 4 November 1965, a monitoring trip was made to [redacted]  
Those in attendance were [redacted]

NPIC/P&DS.

Two preliminary reports of past and present research have been received. Unfortunately, [redacted] the principal investigator, is soon resigning and [redacted] will be assuming her role in this contract. He has been adjudged as competent enough to merit our continuing the present contract. Some amendment may be in order, however, since [redacted] is at a higher pay scale than was [redacted]

Emphasis was placed upon the fact that performance will be evaluated in terms of tangible results obtained of significant benefit to the photo-interpretation field. A third report is anticipated in the near future.
